

GYM CLOSURE

March 18, 2020

Attention everyone,

As you all know we have been closely monitoring the current COVID-19 situation and all recommendations made by Municipal, Provincial, and Federal Health and Government agencies. Up until now; our large square foot facility has allowed us to remain open while respecting the 50 person capacity limit and social distancing.

After yesterday's announcement of a Public Health Emergency and the need to flatten the curve of COVID-19, it is with heavy hearts that we have decided to temporarily close Richmond Sports and Fitness effective at 12pm Wednesday March 18th for two weeks. Our hopes are to re-open the facility on April 2nd; providing Government Health Authorities allow this.

We are deeply saddened by this decision, but it is necessary in the face of this growing pandemic. It is our fiduciary duty as a business to prioritize the health and safety of everyone in British Columbia and in Canada.

At this time we will be putting all pre-authorized payments on hold.

If you have any questions or concerns; please email us at rsfgym@gmail.com. We understand this is a difficult time for everyone and ask that you be understanding while we try and navigate through all the questions you may have. Please stay tuned to our Instagram, Facebook, and website for all updates going forward. It is our every intention to re-open as soon as possible and are so grateful to all our members for your unwavering support. We look forward to seeing everyone back soon and wishing everyone health and safety during these trying times.

Thank you,

RSF Management
